Dear Ms. Farkus:

This is further to our letter dated 27 March 2019 regarding your 11 March 2019 Freedom of Information Act (FOIA) request for **files on or related to Felix Guattari**. We noted in our prior correspondence that we might need to contact you for additional information or clarification. Specifically, we are reaching out to you because although you have provided some of the identifying information required before we can effectively search our files on an individual, we still need additional data before we can begin processing your request. Without this data, we may be unable to distinguish between individuals with the same or similar names. Specifically, we require the individual's:

✓ *Full name*

✓ *Date and place of birth*

✓ *Date and place of death*

✓ *Evidence of death*

☐ *Living party signed affidavit: Freedom of Information Act-Certification of Identity Form and copy of Code of Federal Regulations Vol. 32§ 1900.32(b) information (enclosed).*

If the individual is deceased, we also require some *evidence of death*, such as a death certificate, an obituary, or a press statement to ensure there are no privacy considerations. A website link in itself does not satisfy the proof of death requirement. Please provide the actual documentation and source. Proof of death is not required if date of birth is 100 years ago or greater.

Agency regulations encourage requesters seeking information on *living* third parties to provide a signed affidavit or declaration from the third parties waiving all or some of their privacy rights. We can search without this authorization, but if we locate responsive records, privacy concerns may require us to protect the information from release.

FOIA exemption (b)(6) requires us to protect information “the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.” In reaching this determination, we use the test our regulations outline at 32 CFR § 1900.32(b): “the Agency will balance the privacy interests that would be compromised by disclosure against the public interest in release of the requested information.” Therefore, the waiver will assist us with this determination.

Please be advised, the FOIA authorizes federal agencies to collect fees for records services. Based on the information provided in your letter, we determined that your request falls into the “all other” fee category, which may require you to pay applicable search and copying fees (if any exist) beyond the first 100 pages of reproduction and the first two hours of search time, which are free. Copies are ten cents per page.

If we do not hear from you by 12 June 2019, we will close your request as it is not reasonably described.

Please send requested information to:

Information and Privacy Coordinator

If you prefer to fax in your information, our facsimile is 703-613-3007.

Sincerely,

**§ 1900.32 Procedures for information concerning other persons.**

(a) *In general.* Personal information concerning individuals other than the requester shall not be disclosed under the Freedom of Information Act if the proposed release would constitute a clearly unwarranted invasion of personal privacy. See 5 U.S.C. 552(b)(6).

For purposes of this section, the following definitions apply:

(1) *Personal information* means any information about an individual that is not a matter of public record, or easily discernible to the public, or protected from disclosure because of the implications that arise from Government possession of such information.

(2) *Public interest* means the public interest in understanding the operations and activities of the United States Government and not simply any matter which might be of general interest to the requester or members of the public.

(b) *Determination to be made.* In making the required determination under this section and pursuant to exemption (b)(6) of the FOIA, the Agency will balance the privacy interests that would be compromised by disclosure against the public interest in release of the requested information.

(c) *Otherwise.* A requester seeking information on a third person is encouraged to provide a signed affidavit or declaration from the third person waiving all or some of their privacy rights. However, all such waivers shall be narrowly construed and the Coordinator, in the exercise of his discretion and administrative authority, may seek clarification from the third party prior to any or all releases.
